

Add Your Team Events to Your Favourite Calendar Program (iCal, Google Calendar, Outlook, etc.)

PROS: This is a great way to put your hockey events into your favourite calendar program. This is a “live” calendar feed, so if and when updates (additions/cancellations) are added to your team calendar, they should be updated automatically in your favourite calendar program.

CONS: Early in the season, your hockey calendar may contain information (e.g., Skills & Drills, IP skate information) that may not be relevant to you, as this information has been posted for everyone to see until all the teams are selected. To avoid this issue, you may want to wait until tryouts are over to follow these steps.

You do not need to make an account to access your personal calendar.

Go to the ennismoreeagles.ca website and scroll down all the way to the bottom. Click the “Subscribe” link at the bottom of the calendar.

The screenshot shows the website's layout. At the top, there are sections for 'Other Recent Articles' and 'Upcoming Events'. Below these is a 'Game & Tryout Schedule for the Next 5 Days' table. The table has columns for Sunday, Monday, Tuesday, Wednesday, and Thursday, with rows for various events like 'Novice Rep', 'IP Evaluation', 'Midget AE', 'PeeWee AE', 'Tyke', and 'Atom AE'. A blue arrow points to the bottom of the page with the text 'Scroll Down to the bottom of the page'. Another blue arrow points to a 'Subscribe' button with the text 'Click on "Subscribe" to subscribe to your team's calendar.' At the bottom of the page, there are logos for 'BREAKAWAY', 'iTunes', 'STITCHER', and 'OMHA.NET/BREAKAWAY'.

1. Step 1: Select your team from the drop-down menu. You must select at least one team. You can select more than one team. For example, I've selected two teams.

The screenshot shows the 'Subscribe To A Calendar Feed' form. On the left, there are navigation links for 'Category Sites', 'Rep', 'Local League', 'League Sites', 'Initiation', 'Tyke', 'Our Sponsors', 'Social Networking', 'Follow Us On', 'Manage Subscriptions', and 'Website Visit Counter'. The main content area contains text explaining the 'Live Calendar Feed' and a 'Step 1: Select Your Team(s)' section. In this section, there is a dropdown menu for 'Rep - Juvenile, LL - Bantam LL' and a list of teams with checkboxes. The 'LL - Bantam LL' and 'LL - Midget LL' checkboxes are checked. There is also a section for 'Other Events' with a dropdown menu set to 'Off'.

2. Step 2 – Choose whether you'd like to have reminders. This is a personal choice. Use the drop down menus to select when the reminder will appear or leave them OFF.

3. Step 3 – copy, email, or text the link generated in the grey box.
